Minuteman[®]
Excellence Meets Clean

MPV[®] 31
Wide-Area Vacuum

Key Features

- A wide 30" path covers large spaces quickly and efficiently
- On-board tools and telescopic wand make detail cleaning easy
- Handle folds for compact storage
- Clean Air Filtration System provides 95% filtration efficiency at 5 microns and easily changes from a 4 to 5-stage filter system with optional cloth filter

Safety

- Lightweight and low-profile for ergonomic operation
- Clean Air Filtration System keeps the air clean during use

General Overview

- The MPV 31 Wide Area Vacuum commands powerful suction to clean large carpeted spaces with speed, effortless maneuverability and quiet operation
- Durable rotationally molded polyethylene construction ensures that the MPV 31 will endure heavy use
- Wide path and ease-of-use provide efficiency and labor savings

Productivity

- The MPV 31 cleans up to 25,000 sq. ft. per hour
- On-board accessory tools provide for easy cleaning of above-the-floor and hard-to-reach areas.

Ease of Use

- Lightweight, ergonomic construction
- Convenient foot lever for multiple brush height adjustments
- Multiple handle adjustments to fit operator height
- Extra-large wheels allow the MPV 31 to glide across carpet

Markets

- Hospitality
- Institutional
- Health care
- Building service contractors
- Airports
- Retail

Accessories/Options

- Clean Air Filtration System easily changes from a 4 to 5-stage filter system with optional cloth filter
